Sir,

SUBJECT: Education - Secondary - Municipal High School, Bellary - Conversion of the post of Carpenter into that of Assistant Manual Training Instructor - Orders requesting

---

In submitting herewith a copy of letter RC.No.C.1-4981-/46 dated 9-5-47 from the Commissioner and Special Officer of the Bellary Municipality, together with a copy of the remarks of the District Educational Officer, Bellary thereon, I have the honour to state that I entirely agree with the District Educational Officer. In view of the fact that posts of Assistant Manual Training Instructor have since been created, and separate qualifications and scales of pay have been prescribed for them by Government, there is no necessity for continuing the post of Carpenter. It is not reasonable that while qualified Assistant Manual Training Instructors are paid at Rs.20-1/2-24-2/2-30 (scale not yet revised), the unqualified carpenter should be given at Rs.30/- p.m. merely on the basis of G.O.No.814 Mis dated 20-4-28 which was issued prior to the creation of the posts of Assistant Manual Training Instructors.

In the circumstances I request that the Government may be pleased to direct the Commissioner and Special Officer, Bellary Municipality to convert the post of carpenter in the Municipal High School into that of Assistant Manual Training Instructor and to appoint a qualified instructor in the scale of pay fixed by Government for Assistant Manual Trg. Instructors. As it is very difficult to secure the services of a qualified hand, at present, Government may inform the Commissioner that in case no qualified hand is available, unqualified persons may be employed with the previous consent of the Dt.Edl.Officer with reference to G.O.No.1192 Edn dated 28-6-40 on a fixed pay of Rs.25/- per mensem allowable to unqualified teachers (Vide G.O.No.975 Edn dated 10-5-47)

As regards the payment of salary to Mr. Sheik Adam, for the period he worked as carpenter, i.e. 30-7-46 to 10-12-46, The Commissioner may be informed that he can be paid only at the rate of Rs.20/- p.m. allowable for unqualified teachers; plus the usual Dearness allowance.

The Commissioner has reported that the permanent Carpenter retired from service on 1-7-46, that Mr. Sheik Adam was appointed as carpenter with effect from 30-7-46, and that no one has been appointed to assist the Manual Training Instructor after 10-12-46, the date on which the services of Mr. Sheik Adam were terminated.

RVR 1/11/-

Copy of letter from RC.No.C.1/4981/46 dated 9th May 1947 from the Commissioner and Special Officer, Bellary to the Director of Public Instruction, Madras.

(I) In their order No.814 Mis. Law and Edn dated 20th April 1928, the Government sanctioned the post of Carptenter to assist the Manual Training Instructor of the school as a regular member of the establishment. Ever-since the creation of the post a carpenter had been working till the present incumbent Mr. D.Shaik Adam was ousted on 10-12-46 on a ref. RC.No.542-E/46 dated 17-11-46 of the Dt.Edl.Officer in which I was asked to state the circumstances relating to the appointment of a Carpenter while the Madras Educational Rules does not contemplate one such. The history of the case is briefly as follows:-

(V) The Council sanctioned the post of Carptenter in its resolution No.7 dated 3-7-26 in addition to the post of Manual Training Instructor and the Government intheir order No.814 Mis Law and Edn dated 20-4-1928 sanctioned the payment of subsidy towards the changes of the Manual Trg. classes. In the year 1941 on an audit objection the matter was referred to you and you were pleased to state in your RC.No.386 G/42 dated 13-4-42 that the post of the carptenter sanctioned for this school in the said G.O.was on a permanent basis and as such he can enjoy the benefit of the provident fund The objection was admitted in audit and the then Carpenter continued in service till his retirement. Subsequently when the post fell vacant one D.Shaik Adam was appointed as Carpenter. The District Educational Officer in his ref. RC.No.542 E/46 dated 17-11-46 stated that the appointment of the

(VI) Carpenter under G.O.No.814 Mis L. & E dated 20-4-28 held good so long the old Carpenter continued and the appointment of the present carpenter. was irregular as the M.E.R.does not contemplate the appointment of one such. In this connection I have to state that the post sanctioned by the Govt. to this Municipality is of carpenter only which has been reaffirmed by you when the matter was referred to the Council to convert the post of the Carpenter into that of the Manual Training Instructor it is of opinion that the post need not be converted and the Carpenter's post is quite sufficient for the Municipality to assist the Manual Training Instructor ~~max~~ vide C.R.444 dated 10-2-47 copy enclosed. Hence an Asst. Manual Trg. Instructor was not appointed as suggested by the Dt.Edl. Officer. So long the designation of the carpenter is not changed under orders issued by under Sec.70(3) of the Act the appointment and the payment to the incumbent of the post will be in order. Further the Adviser to the Government onmanual Training never expressed in any of his inspection re-~~marked~~ ports the need for the appointment of an Asst. Manual Trg.Instructor. This fact was also reported to the Dt.Edl.Officer in this office ref. RC.No.C1.8805/42 dated 30-3-43 with ref. to his letter RC.No.122-E/42 dated 1-3-43. No objection was also raised during all these years by any of the Inspecting Authorities for the employment of the Carpenter in the High School. In view ofthe same I request you to let me know whether I can pay the carpenter D.Shaik Adam for the period he worked as such in the Municipality and whether I can continue to employee in Carpentering till the post is converted into that of a Assistant Manual Training Instructor.

Proceedings of the Municipal Council, Bellary, passed at its ordinary meeting held on 10-2-1947 at the Municipal Office, Bellary.

444. Read letter dated 23-7-46 of the Headmaster, M.H.School suggesting that the appointment of an unqualified hand to carpenter's post is not healthy as the post is to be taken as Assistant Manual Training Instructor's post as per G.O.No.1714 Edn dated 27-7-39 and qualified hand appointed.

Read also letters RC.No.542 ~~dx~~ E/46 dated 17-11-46, 11-12-46 and 3-1-47 of the Dt.Edl.Officer, Bellary on the subject. Read office note dated 17-1-46 requesting the sanction of the counil to apply to the Director of Public Instruction, Madras, for the conversion of the Carpenter's post, M.H.School as Assistant Manual Training Instructor's post in the scale of Rs.20-1/2-24-2/2-30.

Res: Council is not in favour of converting the ~~Carpenters~~ Carpenter's post into Assistant Manual Training Instructor.

Chairman, M.C.

Resubmitted to the Director of Public Instruction, Madras through the Divisional Inspector, Anantapur.

(V) The appointment of a carpenter as per G.O.No.814 Mis.L.E.dated 20-4-28 held good as long as the old carpenter continued. After the retirement of the old carpenter the post ceases automatically since the M.E.R. which are also issued by Government and which are later in origin than the G.O under reference have created a new post called as Assistant Manual Training Instructor. The Commissioner Municipal Council was informed accordingly and he ordered the termination of the appointment of the carpenter in his ROC.No.4981/46 dated 20-12-46 (copy enclosed). Subsequently the Commissioner, Municipal Council was advised to advertise the post of the Asst.Manual Trg.Instructors in the leading daily papers and if no hands are available, the applicant Shaik Adam was permitted to be appointed temporarily till the end of the school year 1946-47. Hence I am of opinion that since there is no provision in the M.E.R. for the appointment of a carpenter, the post will have to be converted into that of an assistant manual training instructor and a qualified hand appointed. I presume the council has no jurisdiction to over ride the orders of Government as adumbrated in the M.E.R. and to refuse to sanction the creation of an Assistant Manual Training Instructor's post which is necessary to the manual training classes attached to the school. In this connection, I feel that the interests of the present occupant of the post who is not qualified to be an Assistant Manual Training Instructor seems to have been one of the dominating factors in shaping the resolution of the council in favour of a carpenter's post.

As regards pay to the carpenter Sheik Adam, he may be paid for the period he worked, at Rs.20/- and the usual D.A.

Copy of letter RC.C.1.4981/46 dated 20-12-46 of the Commissioner, Municipal Council, Bellary to the Dt.Edl.Officer, Bellary.

(V) The post of a carpenter as a regular member of the establishment of the Municipal High School, Bellary was sanctioned in G.O. No.814-45 and E dated 20-4-28. So, when a vacancy arose consequent on the retirement of the permanent hand, it was filled up.

On an audit objection roused in 1941 after the fixation of qualification for assistant manual training instructor, the matter was referred to Director of Public Instruction who passed orders in his RC.No.386-G/42 dated 13-4-43 (copy enclosed)

Your presumption that the appointment of the carpenter under G.O.No.814 Mis. L.E. dated 20-4-28 holds good only so long as the old Carpenter continued is not warranted by that G.O. or any subsequent order. However, in deference to your wishes, I have terminated the appointment of the present incumbent.

Kindly see the remarks of the District Educational Officer, Bellary contained in his Endorsement N.Dis.275-E/47 dated 4..7..1947, a copy of which was submitted to Government with this office letter Rc.No.823 G3/47 dated 31.10.1947. In view of the fact, that the post of Assistant Manual Training Instructor has been created, and qualification and scale of pay have been prescribed therefor in G.O. No. 1714 Education dated 27-7-1939, the sanction accorded in G.O.Ms.No.314 Law and Education dated 20-4-1938 for the employment of a carpenter to assist the Manual Training Instructor with a pay of Rs.30/- per mensem should be considered to hold good only, so long as the old permanent carpenter continued in service. In view of the general orders in G.O.No.1714 Education dated 27-7-1939 there seems to be no need for cancelling specifically, the orders in G.O. No.314 Mis. L & E dated 20-4-1938. Further, as already pointed out, it is not reasonable that while qualified Assistant Manual Training Instructors are paid at Rs.20-1/2-24-2/2-30 per mensem; the unqualified carpenter should be given a pay of Rs.30/- per mensem. In these circumstances Mr. Sheik Adam who worked as carpenter in the Municipal High School, Bellary can be treated as only an unqualified Assistant Manual Training Instructor, and be paid at the rate of Rs.20/- per mensem allowance for unqualified teachers.

and the post copy of TM on fr 9 of. He is of opinion that it is no longer necessary to continue the post of Carpenter at Rs 30 p.m. sanctioned in Govt 814 Edn dy 20-4-1928 and that a qualified Asst Manual Training Instructor should be employed instead. The post of Carpenter may therefore be converted into that of an Assistant Manual Training Instructor.

2. It is clear from the TM on fr 9 of. that the post of Carpenter is substantively vacant and that Mr Sheik Adam was employed temporarily for a short period. 30-9-46 to 10-12-46. As he is unqualified the Director's recommendation is that he may be paid Rs 25 p.m. His recommendation may be accepted.
